Kuntum for young artists

The company is sponsoring 2,000 copies for the event

CHILDREN taking part in the colouring contest themed Beautiful Malaysia organised by Kuntum on Saturday will each receive a copy of the magazine courtesy of Math Monkey (M) Sdn Bhd.

Math Monkey business development and operations manager Cheryl Oon Lay Pheng said the company was sponsoring 2,000 copies of Kuntum for the event to be held at the Penang Interna-

tional Sports Arena (PISA).

Oon said the event was an opportunity for the company to inform the children about the Math Monkey programme which was based on the mathematical techniques of Vedic Math from India.

"Ours is a supplementary programme for children of ages five to 12 which promotes fun learning.

"Fun is the key to learning and Math Monkey believes in instilling a natural love of maths in young children to nurture creativity, flexibility and innovation," she said.

The colouring contest is from 8am to 12.30 pm and is divided into Category A for children aged five to six, Category B for those aged from seven to nine and Category C for those aged 10 to 12.

The top five prizes per category are RM500, RM400, RM300, RM200 and RM100.

Consolation prizes of RM50 each will be given to those in the sixth to 20th place while the top 50 winners of each category will receive mini hampers.

Participants will enjoy goodies including bags from Kuntum,

chocolate rolls sponsored by Kinross Food Industries (M) Sdn Bhd (a subsidiary of Londo Biscuits Berhad), drinks sponsored by F&N Coca-Cola (M) Sdn Bhd, and sample packs of Grol milk powder sponsored by Abbott Laboratories (M) Sdn Bhd.

They will also receive bags and mystery gifts from Bank Rakyat.

Registration is free and participants are urged to register early. For details, drop by The Star Northern Hub in Bayan Lepas Penang, or call 04-6473399.
